In Edmonton Catholic Schools, students are expected to dress in a manner that honors the dignity of the human person, who was created in the image of God, and that supports an inclusive, welcoming, caring, respectful, safe, and Catholic learning environment that promotes the well-being of all. Each school in the Division will have a Standards of Student Dress for their community. Understanding that it is not possible to list all the specific types of acceptable and unacceptable student dress, the purpose of establishing Standards of Student Dress is to empower students to make appropriate choices.

Students are expected to dress in a manner which is appropriate for the school day or for any school sponsored event. All students shall come to school dressed in a comfortable manner that allows them to be authentically who they are, while also meeting the standards in this document.

Students who do not meet the **Standards of Student Dress** will be required by the school principal or their designate to meet the standards before participating in school activities. Schools will facilitate the enabling of students to meet the standards in such situations whenever possible.

Student dress must maintain personal safety and the safety of the school community. Students are not permitted to wear articles of clothing, jewelry or accessories that indicate or suggest membership in or affiliation with any group or organization that does not support a welcoming, caring, respectful, safe, and Catholic learning environment that respects diversity and fosters a sense of belonging.

Students at Saint Oscar Romero Catholic High School may wear, hats and headwear, as long as they are in alignment with this standard's philosophy:

- Headwear that is specifically required for religious observance (i.e. hijab, yarmulke, turban) or for medical reasons in consultation with the principal.
- Hats and other headwear must allow the face to be visible to staff, and not interfere with the line of sight of any student or staff. Hoodies must allow the face and ears to be visible to school staff.

Students who have not met the standard, as outlined above, will be addressed in the following manner:

- At the first possible opportunity for a private conversation, the staff member who has identified the issue will speak to the student about the concern in a manner that respects their privacy and dignity. Care will be taken to avoid "shaming" or statements of bias.
- The student will be presented with options to bring them into closer alignment with the standard for the remainder of the school day such as:
 - Wearing another article of their own clothing which they have at school that is in alignment with the standard
 - Contacting a parent or guardian to bring in an article of clothing that is in alignment with the standard
 - Borrowing an article of clothing from a friend that is in alignment with the standard.

We plant the seeds that one day will grow!
